

## AOP-LC45 Advantage - 45" Log Claw Ultra

### Material

The Advantage - 45" Log Claw Ultra is made of 1" Square OD 16 gauge steel tubing, laser cut "teeth" and is finished in a powder coat application.

### Powder Coated Steel

Tubular components go through an extensive powder coating process adding additional protection making our steel frames highly resistant to rust.

### Color

We offer a variety of color options including; Satin Black, Red and Tropical Lime Green.

### Assembly

Each Log Claw is shipped completely assembled for immediate use!

### Warranty

Our team is committed to providing quality products designed for lasting use. If any issue arises, please do not hesitate to contact us. Advantage Log Claws include a 1 Year Manufacturer Warranty

### What is Covered?

Our 1-year warranty covers any defects in material or workmanship under normal use during the 1-year warranty period. All product warranties take effect at the date of purchase. During warranty period, we will replace components at no charge as well as entire product replacement that proves defective due to poor material or workmanship during normal usage.

### What is Not Covered?

The following falls under the umbrella of what is not covered:

1. Environmental factors / Natural elements causing damage to product
2. Poor use or negligent use of product

The warranty becomes void if the product has been damaged due to improper use, mishandling, negligence or modifications. This includes any defects caused by water damage as well as failure to keep unit clean.

### Maintenance

Keeping the Advantage - 45" Log Claw Ultra clean is essential in regards to the lifespan of the product. Simply wipe off any debris that may have accumulated after each use and store in a safe area that is free of natural elements such as rain etc.
